lived in harmony with nature, involved a system called Yoga. Yoga literally means to yoke, unite. It is the unity of man with nature or God which is the ultimate aim of every person. Yoga helps us to achieve this objective thought physical, mental and spiritual exercise and discipline. Sage pitanjali is considered the father of Yoga for it was he who collected in his yoga sutra the thoughts of different sages handed down from generation to generation. A yogi is described as one "to whom death and old age do not come, his body is supple, his intellect alert and his mind full of peace and satisfaction. He has a slim body, joyous face sonorous voice, sparkling eyes, good health, vitality, radiance and purity of nervous system." <http://www.rdvonline.com>
